

Seniors and their dogs

with John Wade

Are you a senior looking to purchase a puppy or adult dog? Maybe you already have a dog and you are tired of it pulling on the leash and jumping on people or you are dealing with excessive barking. Find out from John Wade how to select the right dog for you and how to avoid and solve problem behaviours in your dog.

John Wade, dog trainer, author, columnist and speaker, teaches people how to work with their dogs at conferences and through his London Free Press column Pet Talk with John Wade. He is the author of several books and invented the Wade Collar, a highly effective dog training collar.
